TO WHOM IT MAY CONCERN

"Genius is the idea. The rest of it is just hard work."

I always say, Let the movie talk to you.

I want to do dollies and cranes and outrageous shots, but you know what?

Your movie will be better if you let it tell you what it needs."

You Have to Have Your Own Perspective & Way of Seeing'

"Be a Slave to the Movie"

Sincerely

**Nitish Chandra**
